A. COMPANY OVERVIEW

DESCRIPTION OF THE COMPANY

The Company is incorporated on 13/12/2023 having its registered office at GROUND FLOOR, PLOT NO B3A & B3B PLOT NO 70, Rama Road, Najafgarh Road Industrial Area, New Delhi, West Delhi, Delhi, 110015, bearing Corporate Identification Number U10793DL2023PLC455908 from the Central Registration Center. Previously, our business was operated as a partnership firm named M/s Nut and Food Processor, registered under the Partnership Act, 1932. Following a resolution passed by our partners on October 28, 2023, our partnership was converted into a public limited company, and our name was subsequently changed to NFP Sampoorna Foods Limited. M/s Nut and Food Processor, a partnership firm, was established on October 30, 2019, by Deepak Gupta and Nitish Gupta. The firm was subsequently acquired by the present promoters, Mr. Yashvardhan Goel and Mr. Praveen Goyal, who further expanded the business. and The firm continues to operate successfully with its conversion into a public limited company, NFP Sampoorna Foods Limited, on December 13, 2023 under the supervision of Management of the company. NFP Sampoorna Foods Limited is engaged in processing raw cashew nuts into finished cashew kernels in various flavors, with a presence in various states. We mainly procure raw cashew material by way of import from Africa. We focus on quality of our products to increase our presence across the country. The Company is primarily engaged in the processing and trading of cashew nuts. In addition to its domestic operations, it has also started importing cashew husk from Africa and supplying it to various units in the tanning industry in India.

B. SIGNIFICANT ACCOUNTING POLICY

Basis of preparation:

The summary statement of restated assets and liabilities of the Company as at 30th November 2025, 31st March 2025, 31st March 2024, 20th December 2023 and 31st March 2023 and the related summary statement of restated profit and loss and cash flows for the period from 01.04.2025 to 30.11.2025, 01.04.2024 to 31-03-2025, 21.12.2023 to 31.03.2024, from 01.04.2023 to 20.12.2023 and year ended 31st March 2023 (collectively referred to as the "Restated summary financial information") have been prepared specifically for the purpose of inclusion in the offer document to be filed by the Company in connection with the proposed Initial Public Offering (hereinafter referred to as "IPO"). The restated summary financial information has been prepared by applying necessary adjustments to the financial statements ("financial statements") of the Company. The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the accounting standards specified under section 133 of the Companies Act, 2013, of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"), as applicable and Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) regulations 2018, as amended (the "Regulations"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistently applied.

Use of estimates:

The preparation of the financial statements in conformity with Generally Accepted Accounting Principles requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and the reported amounts of income and expenses during the year. Examples of such estimates include provisions for doubtful debts, income taxes, post-sales customer support and the useful lives of Property Plant and Equipments and intangible assets.

- (i) **Revenue recognition** : The company derives its revenues primarily from Processing and Trading of Cashewnuts. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured in accordance with AS-9, Revenue Recognition. Sales are recognized on accrual basis, and only after transfer of goods to the customer.
- (ii) **Other Income** : Other items of income and expenditure are recognized on accrual basis and as a going concern basis, and the accounting policies are consistent with the generally accepted accounting policies.

(iii) **Property Plant and Equipment including Intangible assets:**

Property Plant and Equipments are stated at cost, less accumulated depreciation. Cost includes cost of acquisition including material cost, freight, installation cost, duties and taxes, and other incidental expenses, incurred up to the installation stage, related to such acquisition.

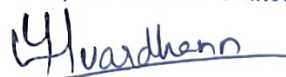

Intangible assets that are acquired by the Company are measured initially at cost. After initial recognition, an intangible asset is carried at its cost less any accumulated amortisation and any accumulated impairment loss.

(iv) **Depreciation & Amortisation:**

The Company has applied the estimated useful lives as specified in Schedule II of the Companies Act 2013 and calculated the depreciation as per the Written Down Value (WDV) method. Depreciation on new assets acquired during the year is provided at the rates applicable from the date of acquisition to the end of the financial year. In respect of the assets sold during the year, depreciation is provided from the beginning of the year till the date of its disposal.

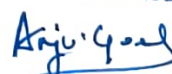

Intangible assets are amortised on a straight-line basis over the estimated useful life as specified in Schedule II of the Companies Act 2013. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss. In respect of the assets sold during the year, amortisation is provided from the beginning of the year till the date of its disposal.

The estimated useful lives of assets are as follows:

Category	Useful life
Computer & Laptop	3 years
Furniture & Fittings	10 years
Office Equipments	5 years
Plant & Machinery	15 years
Vehicles	8 years
Factory Building	30 years

(v) Investments:

Investment are either classified as current or non-current based on management's intention at the time of purchase. Current Investment is carried at the lower of cost or fair value of each investment individually Long-term investment are carried at cost less provision recorded to recognize any decline, other than temporary, in the carrying value of each investment.

(vi) Employee Benefits:

The company provides for the various benefits plans to the employees. These are categorized into Defined Benefits Plans and Defined Contributions Plans. Defined contribution plans includes the amount paid by the company towards the liability for Provident fund to the employees provident fund organization and Employee State Insurance fund in respect of ESI and defined benefits plans includes the retirement benefits.

The benefits payable are valued on the bases of actuarial valuation report, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age (for details refer Annexure-45)

Liabilities for short term employee benefits are measured at undiscounted amount of the benefits expected to be paid and charged to Statement of Profit & Loss in the year in which the related service is rendered.

(vii) Taxes on Income:

Income Tax expense is accounted for in accordance with AS-22 "Accounting for Taxes on Income" for both Current Tax and Deferred Tax stated below:

A. Current Tax:

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

B. Deferred Tax:

Deferred tax is recognised, subject to the consideration of prudence, as the tax effect of timing difference between the taxable income and accounting income computed for the current accounting year using the tax rates and tax laws that have been enacted or substantially enacted by the balance sheet date.

Deferred tax assets are recognised and carried forward to the extent that there is a reasonable certainty, except arising from unabsorbed depreciation and carried forward losses, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

(viii) Provisions and Contingent Liabilities:

A provision is recognised if, as a result of past event, the Company has a present legal obligation that can be estimated reliably and it is probable that an outflow of economic benefit will be required to settle the obligation. Provisions are determined by the best estimate of outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

(ix) Earnings Per Share:

Basic Earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

(x) Operating Leases

Lease where the Lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating lease. Operating lease payments are recognized as an expense in the Profit and Loss Account on a straight-line basis.

(xi) Cash and Cash Equivalents:

Cash and cash equivalents comprise cash and cash deposits with banks. The Company considers all highly liquid investments with a original maturity at a date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents. Other deposits with bank represents investments with a original maturity at a date of purchase between 3 months and 12 months.

(xii) Foreign Currency Transactions

Foreign exchange transactions during the year are recorded at the exchange rates prevailing on the dates of the transactions. Gain or loss out of fluctuations in rate between transactions date and settlement date in respect of revenue are recognized in the profit and loss account. All foreign currency denominated monetary assets and liabilities are translated at the exchange rates prevailing on the Balance Sheet date. The resultant exchange differences are recognised in the Statement of Profit and Loss for the year.
